

## Introducing Candidates for the HCCA Board of Directors

### **Abiodun Mosuro (Incumbent):** Living in Hunt Club for 6 years on Paul Anka Drive

I am currently a Financial Advisor with the World Financial Group. It has been an awesome experience living in an exceptionally serene environment over the last six years and serving on the board of the HCCA for two consecutive years. As an immigrant, volunteering to serve the community and interacting with diverse ethnic nationalities and particularly members that have lived all their lives in the environment, has been my desire to foster friendly relations and cultural integration. I am inclined to continue to put at the disposal of the Association my time and resources just as I have leveraged on my board membership so far to sensitise fellow immigrants for effective participation, and view this as a work-in-progress that should gain accelerated traction after the pandemic era. But more importantly, to serve the general interest of the community with emphasis on integration, safety and security.

### **Jason Dubue (New candidate):** Living in Hunt Club for 1 year on Twyford St.

I enjoy being able to help my local community. I have over 20 years of marketing and design experience which I am happy to use as needed.

### **John D Reid (New candidate):** Living in Hunt Club for 35 years on Vanhurst Pl.

An immigrant from England, I was a 31-year public servant – research scientist and policy analyst with Environment Canada. I served as Chair of the City Arts, Heritage and Culture Advisory Committee. My specific interests are advocating for equitable library service for our area and action on the existential threat of climate change.

### **John Sankey (Incumbent):** Living in Hunt Club for 15 years on Uplands Dr.

I am a former president and life member of the HCCA. My aim is, as always, to help the people who live around me.

### **Kat Gracie (New candidate):** Living in Hunt Club for 20 years on Twyford St.

I have 20 years of experience in project management, marketing and advertising, photography, video and social media production and community building. I look forward to working with friends and neighbours toward creating a 15-minute neighbourhood lifestyle.

**Lynette Joseph-Sankey (Incumbent):** Living in Hunt Club for 11 years on Uplands Dr.

I have always invested in my community. Here, I created a motivational garden in Paul Landry Park surrounded by tree logs for residents to sit and enjoy. I also looked after the snack booth during arts-in-the-park. I make frequent trips to the park to clean and remove weeds around the monument, pick up spilled garbage, and water dry plants; I did free résumés for 6-weeks motivating those who lost their jobs due to COVID 19. It is important to welcome new residents, embrace their culture and values; focus on the needs of single mom and dads, children and seniors and give directions for adequate services, and also present ideas to implement new strategies. “When we listen and celebrate what is both common and different, we become a wiser, more inclusive, and better organization.” ~ **Pat Wadors**

**Marilyn Koch (Incumbent):** Living in Hunt Club for 41 years on Royal Hunt Crt

Previous teacher, librarian and real estate agent. I want to keep aware of local issues and interests in the Hunt Club area. I wish to promote the theme of “Proud of my community”. One doesn’t just live in a house/condo/apartment. You are part of a whole community. You want to be proud and supportive of all its amenities and demonstrate that by your actions.

**Peter Brimacombe (Incumbent):** Living in Hunt Club for 34 years on Plante Dr.

10 years of experience with the Ottawa East Community Association; 30 years of experience with the Hunt Club Community Association; 20 years as Secretary of the Hunt Club Community Association.

**Peter Foulger (Incumbent):** Living in Hunt Club for 34 years on Hackett St.

Treasurer for years. Happy to continue.

**Sabrina Barakat (New candidate):** Living in Hunt Club for 13 years on Archer Sq.

My family and I live here and feel very lucky to do so, but we feel it could be so much more. I’m a full-time public servant communications/speechwriter, fluent in English and French, enthusiastic, impatient and committed to rolling up my sleeves to see change. I’m a wife, mother, daughter and ‘principal person’ to 2 cats, 1 dog and 2 lovely kids.

**Sue McCarthy (Incumbent):** Living in Hunt Club for 34 years on Uplands Dr.

I am a Certified Public Accountant (CPA), retired and worked for the Federal Government in Financial Management and Planning for over 30 years. I have been a Director on 2 Non-Profit organizations related to the Arts. I am interested in continuing to serve on the Hunt Club Community Association because I care about our community and want to be involved in positive action to make it the best place to live, play and work.

**Zivana Pavic (NEW candidate):** Living in Hunt Club for 25 years on Archer Sq.

Since living in the Hunt Club community, I have enjoyed its safe, green and friendly character. I believe that connected and vibrant communities are at the core of individual and societal well-being, so I want to do my part to maintain and improve the quality of life for all who live in our community, especially in these challenging times. I see it as my civic duty to give back by contributing my skills, ideas and purposeful action. As a former executive of the Federal Public Service, I developed policy and delivered programs to Canadians. I have a keen interest in arts and quality of life, and I enjoy getting things done. My dream is for the Hunt Club Community to become a destination in this city, a happy place to live, which attracts people, businesses and opportunities, and where social innovation thrives. It would be my honour and privilege to serve the members of this community. Thank you for your consideration.

## **Introducing Candidate(s) for President of the HCCA**

**Brian Wade (Incumbent):** Living in Hunt Club for 10 years on Uplands Dr.

As an educator and manager at a not-for-profit organization, I have experience in marketing communications, strategic planning, and information technology. I would like to continue to be on the board as I sense that the association is at a critical point in its evolution. There is so much potential and this is very exciting. Over the past few years, I feel that I have been able to offer my expertise, knowledge and leadership to the association, and that there are still a few areas left to address, to which I may be of assistance. I am proud of the association's accomplishments and of the community which we represent. I enjoy getting to know my neighbours and feeling like I am part of the action.

## **Introducing the Past President of the HCCA**

**Christine Johnson:** Living in Hunt Club for 31 years on Erin Crescent.

As a former educator, I have much experience in community building and public relations. I am motivated by the potentialities in all social constructs to make things better for everyone, by strengthening our social contract. However this can be achieved, whether through community festivals, art projects and cultural events, community gardening initiatives, improved library services, I am able to lead and participate to effect change. I believe that where we live shapes how we interact with one another; and how we interact with one another shapes where we live. My involvement with our community association is a manifestation of these beliefs. Volunteering my time is my way of 'giving back' to my country, who has educated, fed and kept me safe over all these years. It is an honour and a privilege to be able to do so. Those of us who can, I believe, have a civic duty to serve.
