

Get Growing Hunt Club update to May 4th HCCA Board Meeting

The Get Growing Hunt Club (GGHC) event will be held Sat. May 16th from 12:30 to 2:30 at the Community Centre. Hunt Club residents are able register to receive a free vegetable seedling and package of vegetable seeds or salad bowls. Some of the seedlings, seeds and salad bowls will be available at the Ashgrove Community Housing location. This year, volunteers will use the new field house at Ashgrove as a distribution point.

Get Growing will have 10 community partners join as exhibitors.

There will be a free children's festival held at the same time at the Community Centre thanks to Sascha Allard and several other volunteers.

This event is possible due to steady sponsorships and donations.and the work of all the volunteers.
