5	Councilor's Report	Riley Brockington presented the Councillor's report: https://hunt-club.ca/wp-content/uploads/2026/10/CouncillorsReport.pdf Riley Brockington: The Airport Authority has appealed the zoning of 3930-3960 Riverside Drive. This is the area at the corner of Riverside and Hunt Club. The Airport Authority is concerned that residents will complain about low flying planes. Riley Brockington: The Ottawa Airport is the only commercial airport in Canada with a mix of small private planes and commercial airliners. The Ottawa Flying Club organizes the small private planes. The Ottawa Flying Club's lease is coming to an end and will not be renewed. The Ottawa Flying Club will have to find a more suitable location. Andre Grushman: The redevelopment of the Tudor Hall has prompted the Hunt Club Golf Club to want to close the pedestrian pathway along North Bowesville Road. This is a beautiful pathway and it would be a shame to lose it.
6	Treasurer's Report	Peter Foulger presented the financial report: https://hunt-club.ca/wp-content/uploads/2026/10/finances.pdf
7	Special Events	Alexis Doyle reported on the Fall Festival. Between 3500 and 4000 people attended. It was very successful. Melissa MacIsaac reported on the Market Place. It was held in the gym at the same time as the Fall Festival. There were 46 tables. Two authors read their work: Laurie Campbell, Justin Gunderson. John Beard prepared a report on Textile Repair. https://hunt-club.ca/wp-content/uploads/2026/10/Textile-Repair-Cafe-and-Showcase-Report.pdf

8	Planning	Andrei Grushman: The Southern Corridor is an extensive green space south of the CNR rail line. The City has applied a mix of zoning but the NCC has appealed the City's zoning. Motion: It is resolved that the HCCA should submit a "Participant Statement" opposing the NCC's appeal and supporting the City of Ottawa's position at the Ontario Land Tribunal. https://hunt-club.ca/wp-content/uploads/2026/10/motion-Ontario-Land-Tribunal.pdf Moved by Andrei Grushman, seconded by Liane Craig, carried.
