

HCCA motion to submit a Participant Statement to the Ontario Land Tribunal

1. Whereas the City of Ottawa approved a new Zoning Bylaw in January 2026 which included Councillor Brockington's proposed zoning for the McCarthy Woods Nature Corridor;
2. Whereas the NCC has appealed this zoning to the Ontario Land Tribunal and is requesting "Development Reserve" zoning for these lands;
3. It is resolved that the HCCA should submit a "Participant Statement" opposing the NCC's appeal and supporting the City of Ottawa's position at the Ontario Land Tribunal (see attached draft).
