

Good afternoon,

A successful City of Ottawa Household Hazardous Waste Collection Event occurred on Saturday September 26, 2026. It was held at the City of Ottawa Conroy Snow Dump Facility, 3100 Conroy Road.

The event was open 8:00 to 16:00 and 2156 vehicles attended. A large variety of items were collected including paint, solvents, batteries, propane tanks, bulked automotive batteries and fluids. In total, 500 barrels and 43 large boxes of paint cans were collected.

Special thanks to the residents and the community groups for their participation and promotion of this event.

Best,
Shelley MacDonald
